London, Nov. 10 .- The Daily Telegraph this morning has an editorial on American elections. Referring to civil service reform it says: We may take it for granted that the disgust at the continued indifference of party managers to national disgrace tended greatly to alienate thousands of voters who stayed at home, or, defying all the traditions of their political lives, voted the Democratic ticket. It would be strange if it were reserved for the Democrats to cleanse the augean stable of American politics and to secure for the people what every well ruled State must have, an upright and perma-

Simmons Liver Regulator has been in use in my family for some time, and I am satisfied it is a valuable addition to the medical science.

J. Gell Sugarze, Governor of Ala.

Hon. Alexander H. Stephens, of Ga., says: Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

further trial.

"The only Thing that never fails to Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

P. M. JANNEY, Minneapolis, Minn.

Dr. T. W. Mason, and Mason and Minneapolis, Minn. Dr. T. W. Mason says: From actual ex-perience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.
